

Dr. Nidheesh P V, Scientist-F, CSIR-NEERI delivered a lecture on "Art of writing technical articles" to M.Tech and PhD scholars of Department of Civil Engineering, National Institute of Technology, Tiruchirapalli.

The session covered the principles of effective technical writing, structuring research articles, presenting scientific findings, and communicating research outcomes clearly and precisely. The lecture helped the scholars improve their academic writing skills and encouraged them to contribute to quality research publications. The programme provided a platform for learning, knowledge sharing, and promoting excellence in research and scholarly communication.
