

Dr. Girish R. Pophali, Chief Scientist CSIR-NEERI made a presentation on the occasion of World Standards Day on October 14, 2025, organised by Bureau of Indian Standards, Nagpur Centre at Hotel Radisson Blu on the topic 'Shared Vision for a Better World – Spotlight on SDG17: Partnerships for the Goals'. He highlighted key activities of CSIR-NEERI and presented the Institute's role in various BIS committees, along with significant work being carried out with a focus on shared vision and global partnerships through IN-EU projects, and close association with users, ULBs, and public and private Institutes. He also acknowledged the role of BIS in everyday life.
