

A significant milestone in advancing sustainable maritime infrastructure was achieved with the signing of a Memorandum of Understanding (MoU) between CSIR-National Environmental Engineering Research Institute (CSIR-NEERI) Nagpur and Jawaharlal Nehru Port Authority (JNPA) on 29 May 2026 at Mumbai.

The MoU was exchanged by Dr S Venkata Mohan, Director, CSIR-NEERI and Shri Gourav Dayal, Chairman, JNPA during the 37th Foundation Day celebrations of JNPA, in the august presence of Shri Sarbananda Sonowal, Hon'ble Union Minister of Ports, Shipping and Waterways.

This strategic partnership will leverage CSIR-NEERI's scientific and technological expertise to support environmentally compliant, resilient, and sustainable port development initiatives. The collaboration is expected to contribute significantly to strengthening environmental management practices, promoting green growth, and advancing the vision of sustainable maritime infrastructure. The MoU reflects a shared commitment to integrating science-driven solutions with national infrastructure development priorities, fostering innovation and environmental stewardship for the ports of the future
