

As part of the Swachhata Hi Seva (SHS) Campaign – 2025, CSIR-NEERI organised a special Training & Workshop Session on 29th September 2025. The programme featured engaging talks on ‘E-Waste Management in India’ by Dr. Sushant B. Wath, Senior Principal Scientist; ‘Usage of Biodegradable and Environment-Friendly Materials’ by Dr. Bholu Ram Yadav, Senior Scientist; ‘Waste to Wealth’ by Dr. Debishree Khan, Senior Scientist; and ‘Personal Hygiene’ by Dr. Shilpa Paranjape, CMO, CSIR-NEERI Health Centre. CSIR-NEERI staff, including research and project personnel, actively participated, making the event impactful in spreading awareness on sustainability, cleanliness, and healthy living.
