

Er. Chaitanya Thakre, AcSIR Ph.D. Scholar, received a Certificate of Appreciation for his research paper titled “Dynamics of Traffic and Noise Patterns for Working and Non-Working Days”, co-authored with Ms. Kiran Kadave and Dr. Ritesh Vijay, at the India International Symposium on Acoustics (IISA-2025) held during 30 October – 1 November 2025 at Gurugram, Haryana.

Ms. Kiran Kadave also received a Certificate of Appreciation for her research on “Application of Auralization in Advancing Noise Management”, co-authored with Er. Chaitanya Thakre and Dr. Ritesh Vijay, at the same symposium on 31st October 2025.

CSIR-NEERI congratulates the team for their outstanding contributions in the field of environmental acoustics and noise management.
