

International Workshop on "Assessment of Environmental, Occupational Health and Safety"

January 28-29, 2019

Organized by

CSIR-National Environmental Engineering Research Institute
(CSIR-NEERI)
(Constituent Laboratory of CSIR, New Delhi, India)
Nehru Marg, Nagpur 440 020, India

About the Workshop

The workshop organized by CSIR-NEERI will explore the occupational & environmental health improvement based on the new policies and practices in place.

Day one of the workshop will involve discussion on the assessment of national & international health & safety policies, and their impact on workers health. The challenges and work cultures impeding the implementation of new standards at different industries will be discussed in detail. Also to study ideas to overcome these issues in up keeping of workers safety along with the implementation and assessment strategies. This workshop will cater to clinicians and environmental health experts as a part of agenda's goal to disseminate new information related to environmental, occupational health & policy.

Day two of the workshop will explore current topics on occupational & environmental health. The workshop is also designed to improve attendees competence in the prevention, diagnosis & treatment of worker related injuries/diseases with the intention of improving health of workers.

The health experts will discuss how to implement these policies effectively at various work places such as mines, industries. There will be a field visit to nearby mines or industries.

Topics

- Air Pollution and Health Effects
- Epidemiological studies and their relevance at work places
- Case Studies
- Environmental, Occupational Health and Safety

The Workshop will be beneficial to

- Officers and workers from various industries, mines.
- Policy makers such as MoEF, Central Pollution Control Board and State Pollution Control Boards
- Researchers involved in occupational and environmental health related activities.

Venue and Accommodation

The workshop will be hosted at CSIR-NEERI, Nagpur. The accommodation for attendees will be arranged in CSIR-NEERI/ICAR/PKV guesthouses. Pick up & drop from guesthouse to the venue and workshop will be arranged.

Registration Fee

DELEGATE FROM CORPORATE	RS. 10000/-
DELEGATE FROM ACADEMIC, RESEARCH & GOVERNMENT INSTITUTES	RS. 5000/-
STUDENT	RS. 3000/-

Registration fee will include scientific program, souvenir of the workshop, accommodation, lunch and dinner.

The registration fee should be sent through demand draft or cheque in favour of; **“The Director, CSIR-NEERI, Nagpur”** payable at State Bank of India, NEERI branch. The draft or cheque should be sent to Dr. K. Krishnamurthi, convener, CSIR-National Environmental Engineering Research Institute (CSIR-NEERI), Nehru Marg, Nagpur – 440 020.

About Nagpur

Nagpur city lies along the Nag River and is situated almost at the geographic centre of India. The present city was founded by Bakht Buland, a Gond King. After Indian independence, Nagpur was the capital of The Central Province and Berar till 1956, when Maharashtra state was created. The zero milestone is in Nagpur. All major highways NH-7 (Varanasi-Kanyakumari) and NH-6 (Mumbai-Sambhalpur-Kolkata) pass through the city as do all major railway trunk routes (Mumbai, Chennai, Howrah and Delhi). Now It is the Vice capital of the Maharashtra state.

Advisory Committee

- Dr. Rakesh Kumar, Director CSIR-NEERI, Nagpur
- Dr. T. K. Joshi, Advisor to the Minister of MoEF & CC, New Delhi
- Dr. Arthur L. Frank, Drexel University, USA
- Dr. S. R. Wate, Former Director CSIR-NEERI, Nagpur
