

Readiness Meeting for Ganeshotsava 2017

Looking at environmental impacts likely to occur due to the forthcoming Ganeshotsava, Commissioner of Police, Nagpur and CSIR-NEERI organised a readiness meeting on 14th July, 2017 in NEERI Auditorium to make people aware of environmental consequences. Dr. K Venkyatesham, Commissioner of Police briefed about various environmental impacts relating to air pollution, water pollution, noise pollution, improper solid waste management, etc. caused by various activities during Ganeshotsav. He also mentioned about the environmental impacts to be caused by immersion of Ganesh idols. Shri Nilesh Bharne, Dy. Police Commissioner also gave a presentation on readiness for the forthcoming Ganeshotsava. Dr. J.S. Pandey, Chief Scientist, CSIR-NEERI welcomed the dignitaries. Dr. Krishna Khairnar, Sr. Scientist, CSIR-NEERI coordinated the programme.
