

CSIR-NEERI's pioneering solutions & landmark achievements to provide clean & sustainable environment is not only helping government agencies & industries, but is also aimed at improving quality of life.

As per latest report by Union finance minister (20th Sept., 2019) CSR funds can be spent on Incubators funded by Central or State governments or any agency of a Central or State public sector undertaking. "They can also make contributions to public funded universities, IITs, national laboratories and autonomous bodies [established under the auspices of ICAR, ICMR, **CSIR**, DAE, DRDO, DST and Ministry of Electronics and Information Technology]."

CSIR-NEERI is open to application of CSR based environmental solution in the areas listed below. We also carry out R&D in those specific areas.

Modus Operandi: We can implement solutions either directly or with NGOs.
