NAGPUR

CSIR-National Environmental Engineering Research Institute (CSIR-NEERI) celebrated Dr Babasaheb Ambedkar Jayanti on Sunday at NEERI Auditorium to commemorate the birthday of Dr Ambedkar.

Yash Panhekar, Principal General Manager of Bharat Sanchar Nigam Limited Nagpur, Maharashtra Telecom Circle, was the Chief Guest on this occasion. Dr. Atul Vaidya, Director of CSIR-NEERI and Dr. M. P. Patil, Chief Scientist, were also present on the occasion.

Addressing the gathering, Panhekar said, Dr Ambedkar's work remains relevant

even today. He highlighted Dr. Ambedkar's valuable contributions across various aspects of our lives, noting that Dr Ambedkar achieved success despite facing significant challenges. Dr Ambedkar pursued education with a specific aim and is recognized internationally for his work. He in-

formed that this great leader advocated for the rights of the underprivileged, laborers and women. Additionally, he warned about the risks associated with cloud computing such as data copying, data mirroring, and the importance of data safety and security.

In his welcome address, Dr Atul Vaidya recalled Dr. Ambedkar's contributions to society and the economy. He

urged everyone to carry forward Dr Ambedkar's vision and mission for the progress of the nation.

Dr Sharda Kosankar, Senior Scientist at CSIR-NEERI, conducted the proceedings while Dr M P Patil, Chief Scientist, proposed the vote of thanks. M.Sc. (Chemistry) students from Dr Ambedkar College also participated in the event.
