Director

Indian Institute of Technology Delhi (IIT Delhi)

ABOUT THE CHIEF GUEST

Prof. Rangan Banerjee has done B.Tech in Mechanical Engineering and Ph.D from IIT Bombay. He had a few years of experience at Cadbury's TERI Engineers India Ltd. before joining the faculty at IIT Bombay in 1993. He has helped to set up a Department of Energy Science and Engineering at IIT Bombay and was its first Head. He has been involved in several projects for industry on energy efficiency, renewables and modelling. He has been the Dean (R&D) at IIT Bombay and was responsible for several new initiatives for research infrastructure, industry consortia and centres, technology transfer and licensing and supporting student research.

Prof. Banerjee was involved in setting up a Megawatt Scale Solar Thermal Power Plant cum Test Facility sponsored by Ministry of New and Renewable Energy (MNRE). He was the faculty advisor of Team Shunya-a student team that represented India in Solar Decathlon Europe, China and the US and built houses running on solar energy.

Prof. Banerjee has advised the Maharashtra Electricity Regulatory Commission, Ministry of New and Renewable Energy (MNRE), Planning Commission, and NITI Aayog on energy-related issues. He was a lead author of the Global Energy Assessment coordinated by the International Institute for Applied Systems Analysis and was a member of the International Review Committee for the RCUK Review of the UK's Energy Programme. Since February 2022 he is the Director of IIT Delhi and a professor in the Department of Energy Science and Engineering.

Prof. Banerjee has been awarded the Excellence in Teaching Award at IIT Bombay and is a Fellow of the Indian National Academy of Engineering. He has also been an Adjunct Professor (Honorary) in the Department of Engineering and Public Policy at Carnegie Mellon University.
